SUMMARY

Frontend Developer with 1 year of experience in building responsive, user-friendly web applications using React, JavaScript, HTML, and CSS. Skilled in translating design wireframes into high-quality code, optimizing performance, and ensuring cross-browser compatibility. Experienced in working within Agile teams and collaborating with backend developers, testers, and designers to deliver efficient solutions. Passionate about writing clean, reusable, and scalable code.

SKILLS

Front-End: HTML, CSS, JavaScript, Figma, ReactJS, tailwind
Version Control: Git, Github, GitLab
Methodologies: Agile
Tools: VS Code, Chrome DevTools, Postman
Languages: MySQL, Python

EXPERIENCE

Devon Technologies Pvt Ltd   Nov 2024 - Present
Front End Web Developer
- Developed and maintained interactive UI components using React.js and modern JavaScript features.
- Collaborated with designers to implement pixel-perfect, responsive designs across desktop and mobile.
- Integrated REST APIs to dynamically fetch and render data in the frontend.
- Improved page load time by optimizing React components and minimizing unnecessary re-renders.
- Participated in Agile ceremonies (daily stand-ups, sprint planning, and retrospectives) ensuring on-time delivery of sprint goals.

Vivarttana Technologies Pvt ltd   May 2024 - Aug 2024
Web developer intern
Enthusiastic Web Developer Intern with a solid understanding of front-end technologies, including HTML, CSS, JavaScript, and responsive design. Familiar with frameworks like React and Bootstrap, experienced in using version control tools, and proficient in design collaboration using Figma.

PROJECTS

OLD AGE HOME
- Utilized HTML, CSS, PHP, and MySQL, and used Figma for UI/UX design. Designed to streamline the management and care of elderly residents in a residential facility.

CAR RENTAL APPLICATION
- Developed with React.Js and MongoDB. Implemented features for car rental services

EVENT MANAGEMENT SYSTEM
- Utilized HTML, CSS, PHP, and MySQL. Facilitated efficient event organization with main organizer functionalities
